

AgileHR Certification Programme

CONNECTING
YOU WITH
TOMORROW

*The programme is
delivered over 2
days in person*

WHAT'S INCLUDED?

Programme materials are provided for each module and include case studies, video reviews and articles.

Certification exercises are completed throughout the programme.

WHO IS IT FOR?

The AgileHR certification Programme is designed for HR professionals who aim to tackle the constantly evolving HR field. State-of-the-art techniques are taught to apply agile mindset to HR challenges like recruitment, recognition, retention, and performance management.

Upon completion, you'll gain an understanding of the Agile mindset, practical skills to implement Agile in your team and organization, and the ability to drive agile development and business agility. Empower yourself to solve HR challenges in your team and organization.
